

PACKEY M'FARLAND OUTPOINTS BRITTON

Battle at Times Develops Into
Contest of Missing and
Holding.

[Special to The Times-Dispatch.]
New York, March 7.—By popular de-
cision Packey McFarland won over
points in his ten-round bout with Jack
Britton at Madison Square Garden to-
night. The men weighed in at 187
and 183 lbs. respectively.

Packey McFarland has a very per-
sistent left that he used very often,
and a right that he brought into use
only a few times, but he managed to
retain his laurels and shaded Jack
Britton in a ten-round bout to-night
at Madison Square Garden.

The battle was not one that would
get you jumping on chairs, on the
contrary, at times it developed into a
contest of missing and holding. With
all due respect to Packey, he's not as
good as he was a few years ago, but
where can you get one to beat him?
Heaven only knows.

Britton put up a corking battle, and
showed that he's entitled to be among
the top-notchers.

All through the battle McFarland
depended principally on his left, only
bringing his right into use now and
then. In the fifth he brought that
right over, and it almost ended Jack's
aspirations. Britton was willing to
fight at any and all times, but it was
his hitting a shadow most of the
time.

Britton gets the credit of bringing
gore to McFarland's nose and cutting
an eye. That always helps a reputa-
tion.

As spectators saw a good exhibition
boxing match.

A committee, headed by Mayor Car-
ter Harrison, of Chicago, and composed
of Corporation Counsel Sexton, State
Attorney Hoyne, Harry Gibbons, 150-
ward E. Hennan and Representative
McKinley, attended the bout in a body.
These men will report to the Illinois
Legislature, which body is framing a
boxing law along the lines of the one
that governs fistfights in New York
State.

**CORKRAN TO PLAY
WM. C. FOWNES**

Baltimore Man to Fight for
Honors With Former Ama-
teur Champion.

Philadelphia, N. C., March 7.—E. Warren
Corkran, of Baltimore, won the
concluding match to-day from John E.
Parker, of Pittsburgh, in the semi-final
round of the ninth annual spring golf
tournament here. The match went
three extra holes, Corkran gaining the
necessary stroke on the twenty-first.

In the thirty-six-hole final to-mor-
row Corkran will meet William C.
Fownes, Jr., one-time national ama-
teur champion. Fownes won to-day's
match with Robert Hunter, of West-
moreland, 1 up and 3 to play.

Parker W. Whittemore, former Mas-
achusetts champion, to-morrow will
play Garfield Scott, of Philadelphia, in
the first division of the consolation
round.

In the other nine divisions to-day
easy matches ruled. There were three
thirty-nine-hole contests, however, which
were won by Jonathan Hopes, of Wil-
lington, Del.; Jonathan Gavley, of
Greensburg, and Robert Foote, of New
Haven.

MURPHY IS WELL PLEASED.

Cub Regulars and Vanuagens Battle to
Win—Landing Tie.

[Special to The Times-Dispatch.]
Tampa Fla., March 7.—C. Webb Mur-
phy reached town to-day and under
his eagle eye the Cub regulars and
Vanuagens did their prettiest for five
innings, the conflict ending in a tie at
1 to 1. Murphy seemed pleased with
the work of the athletes, and modestly
admitted that he had a chance in the
world's series. He was also com-
mended favorably on the work of the young
southpaw.

Sommers pitched for the regulars to-
day, while Charlie Smith worked for
the Vanuagens. Tommie drivers were
made off Sommers and five off Smith.

MANAGER DAVIS WILL BE DELAYED

Writes That He Cannot Take
Charge of Newport News
Team Until May 12.

[Special to The Times-Dispatch.]
Newport News, Va., March 7.—Gloom
pervades the local baseball camp.
Manager Paul Jones Davis, who is
athletic director at the Oklahoma
Agricultural and Mechanical College,
writes that he cannot possibly get
away from the college until early in
May, and will be unable to take charge
of the team until May 12, nearly a
month after the season opens. How-
ever, he has signed up a good man for
manager, and will send him here with
the squad. The proposal is made to
the directors and it remains for them
to accept it. President Horwitz is out
of town to-day, but he will call a meet-
ing of the club directors as soon as he
returns.

Manager Davis has signed up twenty-
four good men and is confident
that he can get a winner out of the
squad. He says that his delay in
reaching here will not handicap either
himself or the team, because he will
send an experienced manager to work
the new material and get the team
going. Davis will be in shape to
break into the game when he arrives.

JOHNNY PRIEST TO PLAY THIRD BASE

Bernuda, March 7.—Williams' throw-
ing and the speed of Archie Hoff
has become the daily wonder of those
who see the Yanks at practice.

Manager Larry Schaffner, of the Jer-
sey City Skeeters, arrived with his
team to-day. He expressed the opin-
ion that Chance was in the best con-
dition of his life right now.

Chance has been switched to second,
but just how he will hold down that
station is still a mystery. Priest is
being groomed for third base by
Chance. Hartzell is on the sick list
as a result of a bad finger. The first
exhibition game between the Yanks
and the Skeeters will be played Tues-
day.

WHITE SOX BUNCH ATTACK IN SIXTH

San Francisco, March 7.—The San Fran-
cisco Seals gave the White Sox some
trouble to-day, and Manager Callahan
made his first 1913 sign of relief when his
team finally landed on the right end of a 5 to 4
score. With Oakland leading, 4 to 1,
the Sox bunched their attack in the sixth, when
Pitcher Henley retired and Arlett started.
Two bases on balls and five singles netted
four runs. Douglas worked the first four
innings, the Sox and yielded all the
Seals runs.

GOLF ASSOCIATION ELEGANT DAVISON

(Continued From Sixth Page.)

Willard Hotel here last night.
John C. Davidson, prominently con-
nected with golf interests at the Co-
lumbia Country Club, was chosen pres-
ident to succeed Morven Thompson, of
Chevy Chase, who has held the office
and transacted business in a highly
commendable manner for the last
twelve months. Representatives of the
most prominent organizations in the
division, which includes Baltimore,
Richmond, Norfolk and other stations,
were present. Other officers chosen
included J. W. Atkinson, of Richmond,
vice-president; Dr. T. J. W. Brown,
of this city, secretary, and Yates Pen-
nington, of Baltimore, treasurer.

Dr. Brown, who is one of the most
popular members of the Banquet Club,
was re-elected secretary of the
organization by unanimous assent. His
term during the past year has been
one of high order, and throughout the
meeting felt that re-election would
be a just reward for his earnest ef-
forts.

The most important business trans-
acted outside of the election of officers,
was the adoption of a schedule for
the annual championship tournament of
the association. The event will be
staged on the Columbia Country Club
course Thursday, Friday and Satur-
day, May 22, 23 and 24, with the qual-
ification round, starting on the first
named date.

The association voted to adopt the
Coling system of handicapping, as
proposed by the United States Golf
Association. This provides a uniform
system, which allows a player precisely
the same handicap in all open events
that he is given on his home course.
This, it is expected, will do away with
difficulty often encountered in the past
at open invitation golf tournaments, in
this section of the country.

Club, which is a player precisely the
same handicap in all open events, and
makes necessary a play-off of the
game between the Irish-Americans and the
Hockey Club.

**FOUR FAVORITES
WIN AT WAREZ**

Ladies' Day Characterized by
Beautiful Weather and
Large Attendance.

[Special to The Times-Dispatch.]
Juarez, March 7.—Ladies' Day was
characterized by beautiful weather and
large attendance. Four favorites and
two well-planned second choices ac-
counted for the big haul.

Truly, winner of the purse event at
five and a half furlongs, ran the dis-
tance in 1:05 3/5, only two-fifths of a
second slower than the track record.
Grover, who was heavily favored, was
waited until Kiva, the pacer, had
raced herself into exhaustion, and then
let his mount down, and Truly came
winning handily. Kiva easily took
the place, with Lew and Ben Wilson.

Ben Wilson and Safranor, both fa-
vorites, accounted for their respective
races in commanding fashion. Mana-
second choice, beat Odella, the fa-
vorite, by a close margin. Truly

race. Russell McGill, a carded starter
in this race, was taken sick in the pad-
dock and was withdrawn. Summaries:

**REDS GOT THROUGH

[Special to The Times-Dispatch.]
Mobile, Ala., March 7.—The Cincinnati
Reds went through a hard and long prac-
tice at Monroe Park under the direction
of Manager Tinker to-day. The recruit
players are picking up more steam daily,
and Mordecai Brown did most of the
catching to-day.

will consult a specialist at Washington,
who is an expert on bones and ligaments,
and is due to report to Tinker to-mor-
row. The line-up for the first game with Detroit
will be: Kyle, center; Severoid, first; Egan,
second; McDonald, third; Lewis, short;

roll and Burden, pitchers.

CARLENA A. & M. PROSPECTS GOOD

(Continued From Sixth Page.)

team, a large number of the new men
showing excellent form.

Both the first and second teams have
practically been picked, and each af-
ternoon the varsity and scrubs are
lined up against each other in a regu-
lar game. In these games each of
the many pitchers trying out are given
a chance to work for a couple of in-
nings, taking turns in the box.

The catchers who were kept out
at Winston, Cole and Dally, Win-
ston, who played on Horner's Military
Academy team last year, will make
the first team. He is a first-class peg-
ger and also a good batter. Cole, a
senior, who has been on the second
team for the past three years, is show-
ing up well and will make a valuable
substitute catcher.

There are ten men out for the "firing
end"—one of last year's varsity, four
of last year's scrubs and the rest new
men. Jaynes, who played last year on
the varsity, is showing splendid form
this year. Lewis and Foster, of last
year's scrubs, are showing up espe-
cially well and will have good chances
to land positions on the varsity this
year. Smith and McEwan, also of
last year's scrubs, are showing up well,
and will make some of the "soak-
paws" out this year. The new men
trying for this job are Russell, Kin-
cald, Bass and Young. Of these, Kin-
cald and Young appear to have the
best chance, and will make some of the
older men hustle for their positions
on the varsity. Mauney, a senior, who
has played class ball for the last three
years, is also out trying for this job.

At first base, Terry, who has played
that position for several years on an
amateur team representing the Atlan-
tic Coast Line Railroad, at Wilming-
ton, is making the strongest bid.

Patton, last year's varsity second
baseman, will again hold down that
spot. Gill and Fain are two other
hunting candidates for this position.

At third base, Brittain, who came
here from Oak Ridge, has everything
beat and gives promise of being one
of the fastest third basemen in this
section. He takes every chance, and
comes his way, and generally makes
them good, and is very quick at get-
ting rid of the ball after he gets it.
Duckert is also making an especially
good showing at third, and is also
fast, both having played on the second
team last year.

At shortstop, Page, who played first
last year, has been shifted, and is very
fast, promising to become a worthy
successor of Hartzell, who held down
that position last year and was one
of the fastest men in the State. Page
has one of the best throwing arms of
any man on the team and is very ac-
curate at throwing to first. Murray and
Gwathmey are doing good work at
shortstop on the second team.

In the outfield, only old man back
is Captain Farmer, in center field, who
will play at that position for the third
year. Of the new men trying for Wake
outfield, Correll, who played on Wake
Forest last year, and Trust, who was
on the squad last year, but was in-
eligible to play on the varsity on ac-
count of matriculating too late, are
showing up best. Other new players
are doing well in the garden are Hack-
ney, Edmundson, Liverham, Albright
and Carlton.

The squad this year is especially
strong in hitting, and if a good set
of pitchers can be developed, the Techs
will be represented by one of the best
teams in the history of the college.
